# Declaration

By submitting this claim you agree that the information you've given is complete and correct. While you're receiving Jobseeker's Allowance, you'll report changes to your circumstances straight away. If you give wrong or incomplete information, or you don't report changes, you may:

- be prosecuted
- need to pay a financial penalty
- have your Jobseeker's Allowance reduced or stopped
- be paid too much Jobseeker's Allowance and have to pay the money back.

## If we pay you too much money

We have the right to recover any money paid to you, which you are not entitled to. This may be because of the way the Direct Payment system works. For example, you may give us information, which means you are entitled to less money but we may not be able to change the amount we have already sent out. If this happens, we will contact you before we recover any money.

(Under section 16 of the Social Security Fraud Act 2001, it is an offence to fail to notify a change of circumstances promptly. Failure to tell us about a change in your circumstances promptly may result in action being taken against you.)

This is my claim for Jobseeker's Allowance.

I agreed the declaration in the application before submitting my claim for NS JSA.
